Threat Modeling:

Not everyone has the same priorities, concerns, or access to resources. Your risk assessment will allow you to plan the right strategy for you, balancing convenience, cost, and privacy.

1. What do I want to protect?

   _____
   _____

2. Who do I want to protect it from?

   _____
   _____

3. How likely is it that I will need to protect it?

   _____
   _____

4. How bad are the consequences if I fail?

   _____
   _____

5. How much trouble am I willing to go through to try to prevent potential consequences

   _____
   _____
